

Project manager | Site manager GC (m|f|d)

Grafschaft Gelsdorf, Germany

As a leading company in the timber industry and in timber and silo construction, Blumer Lehmann uses the diverse potential of wood innovatively and in the sustainable value-added cycle. Our employees are committed to a wide range of customer projects at our headquarters in Gossau SG, at our locations in Switzerland, Germany and Luxembourg, as well as on assignments around the world.

Your tasks

- In this role, you are responsible for the entire construction process up to the turnkey completion of the construction project.
- You enthusiastically take on the management and coordination of construction sites.
- You monitor costs, deadlines and, in particular, quality during construction, both for internal employees and subcontractors.
- Your tasks will also include leading construction meetings and all construction accounting.

Your skills and experience

You have basic training in construction as a structural draftsman or carpenter. Ideally, you have qualified to become a timber construction technician Structural engineering, master craftsman, architect or civil engineer. Open and friendly contact with customers and authorities is commonplace for you. In addition, you are independent and have a high degree of flexibility, assertiveness and commitment.

We offer

You can expect an interesting and versatile position in which you can contribute your potential as well as an innovative company with many exciting projects.

We look forward to receiving your application documents.
