

Project manager GC (m/f/d)

Gossau SG, Switzerland

As a leading company in the timber industry and in timber and silo construction, Blumer Lehmann uses the diverse potential of wood innovatively and in the sustainable value-added cycle. Our employees are committed to a wide range of customer projects at our headquarters in Gossau SG, at our locations in Switzerland, Germany and Luxembourg, as well as on assignments around the world.

Your tasks

- As a general contractor project manager, you are responsible for the supervision of general contractor projects (GC|TC).
- You develop the projects together with the architects and the specialist planners, invite tenders for subcontractor services and coordinate the planners and contractors involved.
- You communicate with the clients and client representatives and are responsible for cost management.

Your skills and experience

You have completed an apprenticeship in the construction sector and have construction and project management experience in the handling of larger construction projects. As an overall project manager, you are used to leading a team. Our clients appreciate you as a competent and reliable contact person.

We offer

We offer you an interesting and versatile position in which you can contribute your potential. An innovative company in which the defined values such as respectful, appreciative, connected and familiar are lived awaits you.

We look forward to receiving your application documents via our online application form.
