

Occupational Safety, Health Protection and Fire Protection Officer (m|w|d)

Gossau SG, Switzerland

As a leading company in the timber industry and in timber and silo construction, Blumer Lehmann uses the diverse potential of wood innovatively and in a sustainable value-added cycle. Our employees are committed to a wide variety of customer projects at our headquarters in Gossau SG, at our sites in Switzerland, Germany and Luxembourg, and all over the world.

Would you like to actively contribute to the safety and health of our 500 employees?

We are looking for active reinforcement for our team at the head office in Gossau SG by arrangement.

Your Tasks

- You play a key role in making our working environment safer and healthier.
- You will oversee our operational concepts for occupational health and safety and fire protection and continuously develop them further.
- You will recognise accident hazards and safety gaps, monitor accident and health data and derive preventative measures from this.
- You support the project and construction managers in timber construction with planning, implementation and monitoring in the areas mentioned.
- You regularly train our safety officers, supervisors and employees. You will also create exciting training documents.

Your Requirements

You are an outgoing and persistent person with a basic technical qualification (e.g. carpenter, joiner, bricklayer). If you have already undergone (or are willing to undergo) further training in occupational safety /health protection, this is a great advantage. You tackle challenging tasks in a committed, fair and trustworthy manner and implement them in a solution-orientated manner.

We offer

We offer you an exciting job in a successful and future-orientated company. In a safe working environment, you can contribute and develop yourself. We cultivate an appreciative approach and the necessary humour at work is a must.

We look forward to hearing from you. Simply get in touch with a "short application". Of course, you can also submit your application documents via our online application form.

We look forward to receiving your application documents via our homepage.
